## JCTC Scholarship Opportunities

Jefferson Community and Technical College offers numerous scholarships to both new and currently enrolled students at the college. To apply, students must complete the application and return it to the Jefferson Financial Aid Office on any JCTC Campus by March 1.

The list of scholarships can be viewed at [http://jefferson.kctcs.edu/news\\_and\\_events/news\\_articles/~media/Jefferson/Documents/Scholarships/2010-Scholarship-Brochure.aspx](http://jefferson.kctcs.edu/news_and_events/news_articles/~media/Jefferson/Documents/Scholarships/2010-Scholarship-Brochure.aspx)

## Metro College Reps

The Metro College representative's role is to improve employee retention through guidance and support. Representatives are available in each area during normal nightly operational hours and can be contacted via pager for employment and program related questions.

Students may also call the main UPS Metro College office at 502-359-2106 for this information. These representatives also can provide referrals to the Metropolitan College Student Development staff, who can counsel students regarding all academic, program and career services questions.

## New JCTC Website

Although the address is the same, [www.jefferson.kctcs.edu](http://www.jefferson.kctcs.edu), the site is completely different and much easier to use. It's designed to be an important resource for

current students, potential students and visitors. The colorful site features Jefferson students and reflects the vibrancy of the campuses.

## *Call for Manuscripts*

JCTC's literary magazine, the jefferson review, is now accepting submissions for poems to be published this semester. Individuals must submit work electronically with Microsoft Word attachments. The submissions should include the individual's name, e-mail, mailing address and phone number.

Poems should be three pages or less, prose pieces (fiction and creative non-fiction) and no more than 10 pages single spaced. Please limit submissions to three poems and two prose pieces. Submissions should be sent to Professor Bryan Scichilone at [bryan.scichilone@kctcs.edu](mailto:bryan.scichilone@kctcs.edu) by April 20.

## *Changes to ULtra Office Hours*

Effective Spring 2010, the ULtra Program at the JCTC-DT office will have walk-in hours only on Mondays, Tuesdays and Wednesdays from 9 a.m. to 5 p.m. Office hours on Thursdays will be by appointment only from 9 a.m. to 5 p.m. ULtra advisors are not available on Fridays.

Students are urged to utilize walk-in hours, however appointments are available by contacting Tawana McWhorter at [Tawana.McWhorter@kctcs.edu](mailto:Tawana.McWhorter@kctcs.edu) or Troy Rice at [Troy.Rice@kctcs.edu](mailto:Troy.Rice@kctcs.edu).

Students who have questions about ULtra or need general information may attend scheduled Intro to ULtra sessions. Specific dates, times and locations are on the website at [www.louisville.edu/ultra](http://www.louisville.edu/ultra).

## *Summer Tuition Policy Change*

Effective summer 2010, Metropolitan College participants will be permitted to enroll up to the maximum number of credits allowed by their academic institution (JCTC or UofL) in the summer terms. Students should meet with an academic adviser at their institution to determine the appropriate number of credits for their individual academic plan.

The summer tuition benefit will be limited to the regular per credit hour undergraduate KY resident tuition applicable for the institution in which the student is enrolled (including the JCTC security fee). The commitment for tuition benefit for students at either institution, or for those who are dually enrolled at JCTC and UofL, may not exceed the equivalent of full-time regular undergraduate Kentucky resident tuition at the University of Louisville (including the JCTC security fee).

Prior to summer 2010, MC participants were limited to six credit hours paid by MC/UPS in the summer if they had enrolled full-time in the fall and spring semesters. This change was approved by the Metropolitan College Council in an effort to assist students to attain their academic credentials in a timely manner.

## *Now's the Time to Complete CAPP Requirements!*

If you have any questions or are not sure if you need to complete a requirement, contact a Student Development Counselor and we'll let you know.
