Have you signed your Spring 2010 contract?

The last day to sign a Spring 2010 contract will be March 15. Students who paid out of pocket for tuition prior to signing a contract will be reimbursed six to eight weeks after the contract period ends pending all Metro College guidelines have been met.

If you're a JCTC student and haven't signed your Spring 2010 contract, you may have been assessed a \$50 late fee. Students are financially obligated even if they never attend classes. Failure to officially withdraw from classes will result in financial debt.

Summer Tuition Policy Change

Effective summer 2010, Metropolitan College participants will be permitted to enroll up to the maximum number of credits allowed by their academic institution (JCTC or UofL) in the summer terms. Students should meet with an academic adviser at their institution to determine the appropriate number of credits for their individual academic plan.

The summer tuition benefit will be limited to the regular per credit hour undergraduate KY resident tuition applicable for the institution in which the student is enrolled (including the JCTC security fee). The commitment for tuition benefit for students at either institution, or for those who are dually enrolled at JCTC and UofL, may not exceed the equivalent of full-time regular undergraduate Kentucky resident tuition at the University of Louisville (including the JCTC security fee).

Prior to summer 2010, MC participants were limited to six credit hours paid by MC/UPS in the summer if they had enrolled full-time in the fall and spring semesters. This change was approved by the Metropolitan College Council in an effort to assist students to attain their academic credentials in a timely manner.

UofL KCTCS Academic Transfer Scholarship

Applications are now being accepted for Spring 2010, Summer 2010 and Fall 2010 academic transfer scholarships. The scholarship is open to KCTCS Transfer students who have 40 or more transferable hours and a 3.25 transferable GPA by the end of the Spring 2009 semester.

To apply for the scholarship, students need to complete a scholarship application, an application for admission and turn in their transcripts by March 15. Awards will be for the Fall 2010 and Spring 2010 semesters.

For more information, please contact the ULtra Program at 502-213-4538 or <https://louisville.edu/admissions/aid/scholarships/kctcs-academic-transfer-scholarship.html>.

Not sure what you need to do to complete your requirement? Logon to your MyMC page, click on one of the CAPP icons and review the steps you need to complete for the requirement.

If you have any questions or are not sure if you need to complete a requirement, contact a Student Development Counselor and we'll let you know.

Metro College Reps

Students may also call the main UPS Metro College office at 502-359-2106 for this information. These representatives also can provide referrals to the Metropolitan College Student Development staff, who can counsel students regarding all academic, program and career services questions.
